BEEF WEEK 2016

HARAS SIMMENTALS will be involved in The Land's 2016 Northern Beef Week with the open day being Wednesday 29 June 2016. As the Country Capital Simmental Sale will not be held in 2016 this will be an opportunity to inspect Simmental Bulls and Females both traditional and black. Bulls and females, some in calf, will be available for sale on the day.

We have rising 2 year old bulls on display on the day that will be available for purchase. HARAS KAISER is what is known as a "curvebender" ie. a bull that has below average Birth Weight EBVs but above average Growth EBVs &/or has above average EBVs for both Calving Ease Direct and Calving Ease Daughters.

Haras Kaiser satisfies both these criteria.

HARAS KAISER

June 2016 SIMMENTAL TRANS TASMAN GROUP BREEDPLAN															
HARAS KAISER	Calv-Ease		Birth		Growth					SS	Cwt	Indexes

HARAS KHAN

Our Traditional Bulls include HARAS KHAN who has impressive growth figures being in the top 30% for 200, 400, 600 day and Mature weight. Khan is by Waterfront Elonzo out of one of our very quiet cows Haras Flower.

On display will be a selection of yearling bulls, the first by our new stud Sire BILLA PARK HARD ROCK, along with two year old heifers due to calve in July to both traditional and black Simmental Bulls which will be available for sale on the day.

If we can help any further with information on the Simmental Breed please don't hesitate to call the number above. We would certainly like to see you at our Beef Week Open Day to be held on Wednesday 29 June 2016.
