	+5.9	+11	+33	+50	+73	+2.6						

Remarks: Bred in the purple! By the Perth Interbreed Champion out of a Perth Grand Champion, with a couple more Perth Supreme Champions behind them. Lancaster was the heaviest at 600 day weighing and had the biggest EMA. Big, long and strong, a very impressive bull. Full EBV's available at the sale. Fertility tested.

	+5.2	+18	+39	+60	+84	+2.4						

Remarks: First of the Revolutions! Out of another Perth Grand Champion. London is very stylish, todays type, more moderate frame with thickness, length and depth. 2nd youngest of the team, but well up in weight and muscle with the best IMF. Soft skinned easy doer! Full EBV's available at the sale. Fertility tested.

		+4.0	+15	+32	+55	+77	+3.4					

Remarks: Like a winter red, FULL BODIED! Another Revolution with his trademark thickness and depth. Starting from a below average birthweight, Lichfield has been a good performer from the get go. Lacks pigment in one eye, although both parents are fully pigmented, so will throw it. Too good to leave out! Full EBV's available at the sale. Fertility tested.

		+4.6	+16	+33	+55	+77	+2.6					

Remarks: This bloke catches the eye! Probably the Revolution thickness and skin type. A twin, he did it a bit harder early on. His scan and weight results show he has made up the ground on the others. Good growth and milk figures, a good allrounder! Scanning and weighing was too late for EBV's to be generated for the catalogue, so as with the others full EBV's will be available at the sale. Fertility tested.
