Welcome

Welcome To Meldon Parks 3rd Annual Heifer Sale.

Meldon Park have always been very particular when selecting females, anything not making the grade are put through the feedlot and the rest retained as the stud grew.

We now find ourselves due to the consistency of the herd and over 100 heifers each year, having more top end stud heifers than we can retain giving us this opportunity to have this sale. Years of breeding without embryo and limited AI has created a herd that has adapted to Queensland heat and dry conditions, with emphasis on growth and fat cover which we believe is imperative when breeding Bulls.

The sale heifers belong to strong cow lines that have produced numerous champion bulls and females at Royal shows and Beef at Rockhampton for years.

All heifers are Pure registered except Lot 6 who is registered as Grade 2.

Regards,

Rod and Lis Skene
