# SALE INFORMATION

**Directions:** Popgun is located at 3087 Riverton Rd. Texas QLD

**Inspections:** From 9:00 am Sale Day or by prior arrangement

**Agents Rebate:** 2% outside agents rebate is offered to agents introducing buyers 24hrs prior to the sale and settling on their behalf within 7 days

**Catering:** Barbecue lunch and refreshments provided.

**Phone Bidding:** The selling complex is located in a reliable Mobile coverage area. Contact the selling agents to place a phone bid.

**Delivery:** An offer of free delivery to major saleyards in QLD and Northern NSW (on delivery routes for other Sale Lots) is extended to all successful purchasers. This service is to be negotiated between the vendor and purchaser and is provided at the convenience of Lucrana Simmentals.

**Own Transport Rebate:** A rebate of \$150+gst will be deducted off the purchase price of any Lot if the purchaser takes delivery on the day of the sale in their own transport, or a carrier organised and paid for by themselves.

**Bull Preparation:** All bulls have been prepared on Rumevite Beef Weaner Pellets.

**Handling:** The bulls have been worked with bikes and dogs and also exposed to horses.

**Transfers:** Please indicate on the Buyers Instruction Slip if a ASBA registered animal is required to be transferred.

**Safety Disclaimer:** The owners, employees and representatives of Lucrana accept no liability for any accidents that may occur at the Lucrana Sale Complex. Persons attending the Lucrana Sale do so at their own risk.

**Please bring this catalogue to the sale**

## **Welcome to Lucrana Simmentals 12th Annual Sale**

Once again we are pleased to bring forward a catalogue of 'commercially relevant' bulls for your competition.

This year's sale draft features a number of new Sire lines, and across the entire catalogue I believe they are the most even group we have ever offered for sale.

These sale bulls are the product of a cow herd that grazes predominately native pastures, and is run under tough, true commercial conditions.

The 2021 drop sale bulls will be presented for sale off an oats crop and are ready to work.

Another sale highlight are the 10 'Top of the Drop' yearlings that have been catalogued. These young sires have been selected from the 2022 winter calving cows as the best performing bull calves, and I can thoroughly recommend them.

All Lots have been DNA Tested for Colour and the Horn/Poll gene, and the results are noted in the catalogue where applicable.

Pre sale inspections or enquiries are welcome either directly or via the selling agents, and if you can't make it on sale day, bidding is available online through the Elite Livestock Auctions platform.

***Andrew Moore***

**Thank you for your support.**

**We wish you every success with your purchase.**

# VET

All bulls have had a Breeding Soundness Evaluation and Semen Test, including Sperm Morphology.

## HERD HEALTH

The Lucrana herd is JBAS 7 and in a Cattle Tick Free area.  
Interstate movement of cattle is guaranteed.

### Vaccinations:

2 yr olds:	Tick Fever (3 germ)	27/01/23
	BEF (3 day)	23/03/23 & 17/04/23
	7 in 1 - twice as weaners	Booster: 5/07/23
	Vibriovax	5/06/23 & 5/07/23
	Pestigard	5/06/23 & 5/07/23
Yearlings:	Tick Fever(3 Germ)	10/06/23
	BEF (3 day)	5/05/23 & 30/05/23
	7 in 1 - twice as weaners	
	Vibriovax	5/06/23 & 5/07/23
	Pestigard	5/06/23 & 5/07/23

**Tests:** Negative Pestivirus PI Test

## DNA TESTS

All Lots have been Poll/Horn and Colour DNA Tested.

## HOW TO REGISTER with ELITE LIVESTOCK AUCTIONS

Welcome to the new age of selling livestock in Australia and **"Happy Bidding"**

- 1  Simply go to **[www.elitelivestockauctions.com.au](http://www.elitelivestockauctions.com.au)** using your desktop, laptop, iPad, iPhone or android device
- 2  Click on the **"Sign Up"** page / link
- 3  Create a bidding profile using the bidder registration page.  
*(You can either register as a livestock agent, company or private buyer.)*
- 4  Agree to the Elite Livestock Auctions Terms & Conditions and the Selling Agents Sale Terms & Conditions as printed in the official Sale Catalogue
- 5  Click **"Register"**
- 6  You will then be notified by email that an account has been created
- 7  Once an account has been created you are all **"Set to Bid"**
- 8  Each auction can then be viewed by clicking **"Live Auction"** logo on the Elite Livestock Auctions website
- 9  Once you receive email notification that your account has been created please go to the sale you wish to bid at and click **"Request to Bid"**
- 10  The sale agents will then approve your application to bid and on the sale catalogue you will see **"✓ Bid Request Approved"**
- 11  On Sale day simply login, click **"Enter Auction"** on the catalogue page and you can start bidding.  
*(There is no need for software download)*
- 12  At the completion of the auction, invoicing will be carried out as per your registration details by the Selling Agents.

# POLLED CONDITION EXPLAINED

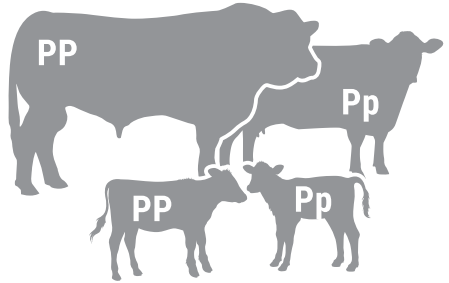

Here are some examples of breeding for the polled condition. Keep in mind that each parent passes one-half of its genetic makeup on to its offspring. (The genes causing scurred calves are not considered in these examples).

## 1. HOMOZYGOUS POLLED SIRE (PP) & HOMOZYGOUS POLLED DAM (PP)

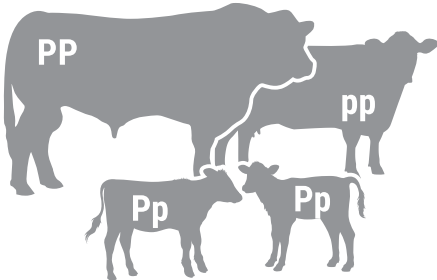

All calves will be 100% homozygous polled (PP)

## 2. HOMOZYGOUS POLLED SIRE (PP) & HETEROZYGOUS POLLED DAM (Pp)

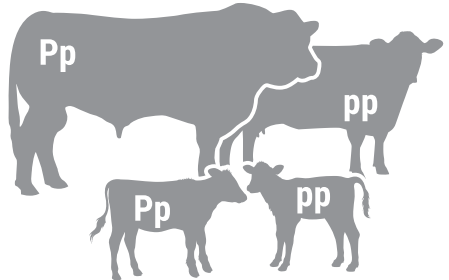

Calves will be 50% homozygous polled (PP) and 50% heterozygous polled (Pp)

## 3. HOMOZYGOUS POLLED SIRE (PP) & HORNED DAM (pp)

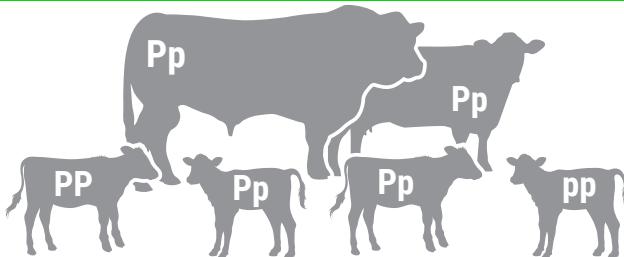

All calves will be 100% heterozygous polled (Pp)

## 4. HETEROZYGOUS POLLED SIRE (Pp) & HORNED DAM (pp)

Calves will be 50% heterozygous polled (Pp) and 50% horned (pp)

## 5. HETEROZYGOUS POLLED SIRE (Pp) & HETEROZYGOUS POLLED DAM (Pp)

Calves will be 25% homozygous polled (PP), 50% heterozygous polled (Pp) and 25% horned (pp).  
(NOTE that even though the horned calves resulted from mating two polled animals, they are genetically the same as if they were from horned parents.)

# DOCILITY SCORE

*You will notice in this years catalogue all Lots have a Docility Score*

## WHAT IS THIS?

Each time the bulls have come through the crush since weaning, they have been scored for Docility using the following scale:

1. Docile
2. Restless
3. Nervous
4. Flighty
5. Aggressive

The score in the catalogue is an average of these past scores.

## WHY HAVE WE DONE THIS?

We are continually striving to provide as much as objective data as possible so our buyers can make better informed decisions.

Assessing the temperament of individual Lots on sale day can sometimes be misleading. And we also understand that producers have differing requirements on what is an acceptable level of docility.

## NOTE

This score relates directly to the animal.

This differs from Breedplan Docility EBV's that are an estimate of the genetic potential of the animal for that trait by additionally taking into account the performance of relatives as well as the individual's score.
