Coolibah Simmentals is a small family run Stud, high on the Dorrigo Plateau in Northern NSW, carrying around 50 breeders. We pride ourselves on breeding a soft, easy doing animal, with a quiet and relaxed temperament.

This line of Bulls we offer for sale on the 7th June 2024 have all run together since weaning and raised on improved pasture and Rye silage hay. We take pride in being able to walk among the Bulls, showing off their calm, kind and relaxed temperaments.

All Bulls have been wormed, 7 in 1, Vibrovax and Pesti tested Negative. Coolibah Simmental Stud is a JBAS7 - Tested 9/4/24 with Negative results.

We invite you to look at our Auctions Plus link or visit us on-farm to inspect the Bulls in our Inaugural Coolibah Simmental Sale.
