Welcome to the online female inventory disposal portal.

Using your logins, please go to My Herd, then My Inventory.

A video of step by step instructions is available here:

Once you've chosen your code, this will become live. Each page saves as you go and you can also save at any time and come back to it. You **MUST** click Post Inventory when you're finished so that the submission can come through to the office for invoicing.

If you prefer a printed version of your inventory, please email here or phone the Registrars on 02 6933 1214. Then email your sheets back to: office@simmental.com.au or office@genetichub.com.au Otherwise post to Simmental Australia, PO Box 216, Inverell NSW 2360 to reach the office by the due date.

The due date will be end August. Invoicing will take place the first week of September.

Credit will not be provided for late adjustments to the active status of any females. So please ensure these sheets are returned by this date.

Please note that if the inventory fees remain unpaid after 120 days, your cows will become "Inactive" and reinstatement fees will be incurred to "re-Activate" them.

Please phone Felicity on 0488 062 287 or Genetic Hub on 02 6933 1214 if you have any queries.

Yours sincerely

Felicity Reeves,
Executive Officer
